## COMPANY PROFILE

Medsoft's main office located in Sunnyvale, California, is the point of contact for all its outsourcing operations.

Medsoft's President & CEO, Som Marappa, a former President of the American Institute of Architects, South-East, Alaska Chapter, an Architect by profession based in Sunnyvale, CA will be the point of contact in the US. He is a member of AAMT <http://www.aamt.org> and MTIA. <http://www.mtia.com> .

Medsoft (India) Pvt. Ltd. is registered with the Software Technology Park of India as a 100% software exported oriented unit. Located in the dubbed "Silicon Valley" of India, Medsoft's premises consists of state of the art facilities and is supported by dedicated professionals, and experienced proof readers, who can customize a full-service program depending on the clients needs. Or it can design a supplemental program that fits the hospitals current requirements or modify and expand at any given time depending upon the clients requirements.

Medsoft is a cost-efficient alternative to an on-site medical transcription service. By using our off-shore facilities for transcription, billing, coding, and an Internet based claims center for filing the returns electronically, your company can be assured of quick returns on claims thereby maximizing your productivity, and increasing your profit margins.
